For small businesses currently participating in the SBIR/STTR programs, understanding Intellectual Property (IP) - Patents, Trade Secrets, Trademarks, and Copyrights - is essential to protecting your products and services in today's knowledge economy. These 90-minute webinars have been designed specifically to address the most common IP issues facing small businesses funded by the SBIR/STTR programs. They will cover all aspects of Intellectual Property protection as well as help you understand your IP Data Rights under the SBIR/STTR grant/contract. **Space is limited to 200 people per webinar. Please note these webinars are open only to small businesses currently engaged in either Phase 1 or Phase 2 of the [SBIR/STTR programs](#); the webcasts are not archived but generally are offered each quarter during the [calendar year](#).**

Webinars will be offered at 1 P.M. Eastern on the following days:
