For small businesses participating in the SBIR/STTR program, understanding Intellectual Property (IP) - Patents, Trade Secrets, Trademarks, and Copyrights - is necessary to protect your ideas, products and product names in today's knowledge economy. These 90-minute webinars have been designed specifically to address the most common IP issues facing small businesses funded by the SBIR/STTR program. They will cover all aspects of Intellectual Property protection as well as help you understand your IP Data Rights under the SBIR/STTR grant/contract. **Space is limited to 200 people per webinar! Register early!**

Webinars will be offered at 1 P.M. Eastern on the following days:
